Mcguires Irish Pub Postcard Book

McGuire's Irish Pub : Mcguires Irish Pub Postcard Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Mcguires Irish Pub Postcard Book:

The Pensacola, Florida, pub that invites patrons to "kiss the moose" may now lay claim to its very own collection of kitschy postcards. Those who would like to share the pub's whimsy may send postcards of the brewery bar, a painting of Cousin Nathan's first wife (in the buff!), or thereally buff skeleton of Bridget McGuire. Or they might just decide that the cards are too nice to send and keep them for themselves. Then again, if they want to tell someone where to really go, they can send a postcard of one of McGuire's infamous, "mislabelled" restroom doors.

From the Back Cover You've enjoyed a delicious meal, added your personalized dollar bill to the more than 150,000 that line McGuire's walls and ceilings, and even kissed the moose. Now, how do you preserve these memories and share them with friends and family? With one or more of these thirty beautiful, full-color postcards, of course! From the charming exterior of the pub to Bridget McGuire's skeleton and the infamous mislabeled bathrooms, these fanciful images perfectly capture the feel, the look, and the Celtic heart of McGuire's Irish Pub. Established at its present location in 1982, McGuire's Irish Pub welcomes guests from around the world to its Pensacola, Florida, establishment. Five-time winner of the coveted Golden Spoon Award, listing it as one of Florida's top restaurants, McGuire's, a replica of a grand, turn-of-the-century saloon, claims its own microbrewery, award-winning wine cellar, and the McGuire's Irish Pub Cookbook, also published by Pelican. Front cover painting by Larry Strickland About the Author Established at its present location in 1982 and owned by McGuire and Molly Martin, McGuire's Irish Pub welcomes guests from around the world to its truly unique establishment. Five-time winner of the coveted Golden Spoon Award, listing it as one of Florida's top restaurants, McGuire's, a replica of a grand, turn-of-the-century saloon, claims its own microbrewery, award-winning wine cellar, and the McGuire's Irish Pub Cookbook, also published by Pelican.
