## Medieval Costumes Paper Dolls (Dover Paper Dolls)

**Tom Tierney : Medieval Costumes Paper Dolls (Dover Paper Dolls)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medieval Costumes Paper Dolls (Dover Paper Dolls):

0 of 0 people found the following review helpful. Excellent costumes but difficult for my 10-year-old to cut out herselfBy cassine23The book is excellent. The costumes are finely detailed. There are two paper dolls included. The only negative thing is that it doesn't have perforated, pre-cut pages and the tabs that hold the clothes on (in theory) are not large enough or sturdy enough to hold the costumes on in reality. The small tabs and finely detailed costume edges were difficult for my daughter to cut out and about halfway through the book she gave up. This book would have benefited from being printed on thicker paper to make things sturdier. Having said that the costumes are beautiful. Four and half stars.4 of 4 people found the following review helpful. Sweet and full of historyBy J. YoderWe are doing a Unit Study of Medieval history. This has allowed my younger children to have their hands busy while I do a

lot of read-alouds. They have studied and compared the head gear, under garments, and cloaks of all the different classes and societies. I would recommend the castle building and all the other paper dolls to go with it. This has been a wonderful support to our study! 1 of 1 people found the following review helpful. Fun Pastime By Divina Fuentes I bought this to do some research for a story I am writing. I was impressed with the variety of costumes in the book - there are at least 10 outfits for each doll, plus accessories and information. The little white spaces on some of the costumes were annoying, but easily disposed of with a craft knife.

First volume in a new series for paper doll fans and costume enthusiasts traces the history of fashion. 2 dolls are accompanied by 16 accurately rendered costumes worn between 1200-1350 AD. Among them: tunics, chain-mail armor, and fur-trimmed capes for men, as well as gowns, embroidered tunics, and soft under robes for women.

About the Author One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
