From Arnoldsche Verlagsanstalt : Meissen: Barockes Porzellan (German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Meissen: Barockes Porzellan (German Edition):

1 of 1 people found the following review helpful. Meissen: Barockes PorzellanBy Steve TaylorDespite the Product Details claim that this book is written in English, it's actually written completely in German. I purchased this book a second time after being assured by that an English edition did exist, only to receive another German edition. I contacted the publisher who informed me an English edition has yet to be printed.

This handsomely designed book is published to accompany the exhibition of the same name at the Museum fr Angewandte Kunst in Cologne, from 24th January to 25th April 2010.
