Danforth This book is a wonderful read for not only bottle lovers but for anyone. Heartfelt and amusing observations about family and life. The author shares interesting and entertaining facts about bottles and his own adventures. The book goes deeper than just insights about the world of bottle digging. Makes you step back and think about your own life and how much you appreciate the gifts God has given us. I think this book will be of interest to many people.

Highly recommended..Makes you want to go and dig up a bottle!

Geoffrey Richards is a State of Maine man who grew up in the small community of Fairfield Center, Fairfield Maine. In work, his tools have been budgets and Boards of Education, as a bottle hound his tools are a potato digger, brush cutters, camp saw, spade, and a good pair of gloves.
