Miffy contemplates life

Eleonora Paauwe : Miffy contemplates life before purchasing it in order to gage whether or not it would be worth my time, and all praised Miffy contemplates life:

The publication of 'Miffy contemplates Life' casts a different light on the little rabbit. In a colourful and humorous way, Eleonora Paauwe presents the philosophy of a Calvinist rabbit that changed the graphic world. 'Miffy contemplates Life' takes the reader by the hand to discover the world according to Miffy. The book discusses several of life's vital issues from the rabbit's point of view, such as death and ageing. At the same time, the book does not shy

away from practical rabbit's advice on how to create the ideal circumstances to go camping. 'Miffy contemplates Life' is an absolute novelty in Miffy terms and takes away any remaining doubt on what goes on beneath those large rabbit ears. Beneath those ears Miffy contemplates life in the most surprising and beautiful manner.
