Great book for the collector or dealer of antique clocks.By Brian P.I give this book 5 stars. Excellent book for both the collector and dealer of antique clocks. Thousands of color photos. The book lists values too for the clocks. Very nice and organized book. I recommend this book very highly. Thank you!0 of 0 people found the following review helpful. Three StarsBy Jesse E. DavisNice to have a picture book of English clocks.

This is a reference guide to clocks and barometers for both enthusiasts and experienced collectors. It covers the wide range of timepiece styles and mechanisms available and details over 2000 items. Each has an up-to-date price guide reflecting current market trends

About the AuthorJudith Miller began collecting in the 1960s while a student at Edinburgh University in Scotland. She has since become one of the world's leading antiques experts in the field.
