## Miller's Collectors' Cars Price Guide 1998-99

**Judith Miller : Miller's Collectors' Cars Price Guide 1998-99** before purchasing it in order to gage whether or not it would be worth my time, and all praised Miller's Collectors' Cars Price Guide 1998-99:

0 of 0 people found the following review helpful. Four StarsBy Donald E. FowlerA well written and illustrated price

guide.

With thousands of new photographs the guide reviews all aspects of collecting from veteran, vintage and post-war classics to today's instantly collectable cars. Commercial and military vehicles are not forgotten. At the request of readers, the automobilia section is bigger than ever, with a wealth of badges, dashboard accessories, mascots and luggage. Marques are presented alphabetically and each picture is accompanied by a detailed caption, which includes year of manufacture, condition, degree of originality, and price range. Price checklists are found throughout the guide, making it easier than ever to compare prices of makes and models based on their condition and year of manufacture.

Filled with valuable information including a summary of the market advice on how to restore a vintage car, a bibliography, a glossary of specialist terms, and a comprehensive list of clubs and dealers. No other book provides such extensive coverage of today's car market - it is essential reading for all those who are passionate about cars.
