Miller's: Complete A-Z of Collectables

From Brand: Miller/Mitchell Beazley : Miller's: Complete A-Z of Collectables before purchasing it in order to gage whether or not it would be worth my time, and all praised Miller's: Complete A-Z of Collectables:

Collectables now rival antiques in popularity, with a range of items that is truly vast. With such niche subjects, there is often little published information available but this comprehensive A-Z guide fills the need. It covers everything from amusement and slot machines to bicycles erotica, and telephones, as well as more traditional collecting categories such as ceramics, costume jewelry, and glass. With nearly 60 subject topics in all, this is a treasure trove of information on the history and the market of emerging collecting areas that will prove indispensable for the collector, the dealer, and the appraiser.

About the Author Madeleine Marsh is a respected author and broadcaster specializing in antiques and collectables. She is editor of the annual Miller's Collectables Price Guide and author of numerous books including Miller's Collecting the 1950s and Miller's Collecting the 1960s. She is an expert on the BBC's Antiques Roadshow and has contributed to many programmes ranging from ITV's This Morning, to Sky News, to BBC documentaries. Madeleine broadcasts regularly on radio and has written for many national newspapers and journals, including BBC Homes and Antiques magazine. Her hobbies are mudlarking, salsa-dancing, collecting vintage clothes, and shopping. Madeleine is joined by a team of 35 experts from auction houses and specialist dealers who contribute their knowledge and market expertise.
