**Thomas P. Curran : Millionaire Legacy: 8 Millionaire Success Strategies for Achieving Financial and Emotional Wealth** before purchasing it in order to gage whether or not it would be worth my time, and all praised Millionaire Legacy: 8 Millionaire Success Strategies for Achieving Financial and Emotional Wealth:

1 of 1 people found the following review helpful. Definitely add this book to the top of your reading ...By Karyn

Rodriguez Definitely add this book to the top of your reading list. I was very interested in this book because Brendon Burchard, Bob Proctor, and Mark Victor Hansen are included. However, there are other top leaders featured in the book that kept my interest. The author includes quotes throughout his entire book from the respected leaders and he shares their strategies for reaching success. 0 of 0 people found the following review helpful. A phenomenal book!

Exceeded my expectations! By rynwgnr The author did a great job in outlining the success strategies used by millionaires and top leading experts. This book is much more than just business strategies. The importance of having the right mindset and keeping a positive attitude are critical elements required for achieving whatever you want from life. The mind maps at the back of the book provide a great outline of each success strategy presented in each chapter. I would highly recommend this book to anyone who wants a step-by-step plan for reaching their goals in life.

"Millionaire Legacy" features eight success strategies self-made millionaires use to acquire an abundance of financial and emotional wealth. Each strategy is presented in an easy-to-follow manner that can be implemented by anyone. Featured Millionaires: Brendon Burchard, Author of "Millionaire Messenger" and founder of Experts Academy Sean D. Tucker, Highly respected aerobatic pilot and chairman of EAA Young Eagles Program Mark Victor Hansen, Co-author of "Chicken Soup for the Soul" Mike Filsaime, Internet marketing expert and consultant Bob Proctor, Featured in "The Secret" and author of "You Were Born Rich" Russell Brunson, Internet marketing trainer James Malinchak, Motivational speaker who appeared on ABC's Secret Millionaire television show Steve Harrison, Host of National Publicity Summit and publisher of Radio-TV Interview Report (RTIR) Three other remarkable individuals are featured for their perseverance to overcome adversities: Captain Chesley B. "Sully" Sullenberger, Captain of US Airways Flight 1549 who landed the plane on the Hudson River after it lost thrust following a bird strike Karolyn Grimes, Actress who starred with Jimmy Stewart in the classic movie "It's a Wonderful Life" Captain Julie Clark, Aerobatic pilot and retired Northwest Airlines captain Bonus Section: A twenty-five question "Millionaire Legacy Mindset Assessment" lets you discover how closely your mindset compares to a millionaire's. You are given a scoring chart, assessment report, and evaluation of results, which outline the steps you must take to attain the mindset of highly successful millionaires. Bonus Section: "The Road to a Million Dollars: 10 Areas for Wealth Creation" is included and details ten income opportunities that can generate substantial revenue.

"In Millionaire Legacy, author, Thomas Curran, reviews examples of several millionaires... He proves in a very believable and compelling narrative that anybody can rise to become a millionaire and leave a legacy for generations to come. His book is about the heart - the positive attitude it takes to become a millionaire or to live a rich life, even when not rich. His exciting book will motivate readers from all walks of life to focus on what is important, and that is not always money. It is about determination and having a heart as strong as the mind... In Flight USA had the pleasure and honor of interviewing this extraordinary author who lives his message in all he does." Annamarie Buonocore, Managing Editor In Flight USAMarch 2016 Issue About the Author Thomas P. Curran, a radio host, executive producer, and certified trainer, has developed training curriculums and performance evaluations. He uses an education-based marketing approach to assist his clients with developing strategic marketing plans. As a speaker and seminar leader, he helps individuals prioritize their goals and dreams while developing a clearly defined plan for success.
