Miniature Kerosene Lamps 2By SharonIf you collect miniature kerosene lamps, it's a must have. The set plus the updated price guide are the bible for these little lamps in my opinion.0 of 0 people found the following review helpful. Enjoying the book.By robinThe book is in great condition. This was a Christmas gift to my husband-he is enjoying very much. We both thank you.

Photos of almost 600 miniature lamps and much historical material has been combined to illustrate a wide variety of these tiny oil burning lamps by many identified makers. This new edition has been expanded to include many new lamps as well as a brand new price guide.
