## Model 1911 Automatic Pistol

**Robert Campbell : Model 1911 Automatic Pistol** before purchasing it in order to gage whether or not it would be worth my time, and all praised Model 1911 Automatic Pistol:

0 of 0 people found the following review helpful. Five StarsBy richawsome book0 of 0 people found the following review helpful. An authoritative book.By George MeadeAn excellent treatise on the Colt 1911 hand gun.0 of 0 people found the following review helpful. Five StarsBy Robert C.Excellent book that is accurately described on the webpage.

Firearms expert Robert K. Campbell presents an in-depth exploration into the development, and continued career of America's most popular modern handgun--the Colt Model 1911. Adopted by the U.S. Army in the years preceding World War I, the powerful 1911 has evolved for nearly a century through many generations in military and civilian hands and the design is still going strong. The author has tested and analyzed both the original models and popular modern varieties and provides a concise look at their performance, design and engineering along with capabilities and

how to use it. Model 1911 is an indispensable addition to any firearm buff's library.

"Model 1911 Automatic Pistol", while being an enjoyable and entertaining read, is also a great reference book to keep on the workbench or beside the bed for quick tips on using and customizing the 1911. -- Jeff Quinn, Gunblast.com, December 2, 2007 There are many...interesting facts in the new book, and the reader should enjoy finding them. There are 28 chapters covering this famous Army pistol, and the book is a must for any gun collector or pistol shooter. The book covers all subjects of this popular firearm -- from its history to disassembly, maintenance items and tests. -- Don Lewis, Leader Times, March 23, 2007 This book is an authoritative resource for everything you need to know about the 1911. -- Outdoors Unlimited, January 2005

About the Author Robert Campbell served for over twenty years as a peace officer, and holds a degree in criminal justice. His wide-ranging interests include Native American lore and U.S. Marine Corps operations of the 1920s. Campbell is a writer in the firearms, police, and outdoor field and has published numerous articles in journals including Handguns , American Handgunner , SWAT Magazine , and Small Arms to name just a few. He also serves as contributing editor at Women and Guns and is contributing writer at Gun Week .
