## **Mopdobckey Hapodhbiy Koctyum (Russian Folk/Antique Costume/Wear by region)**

**Prokina : Mopdobckey Hapodhbiy Koctyum (Russian Folk/Antique Costume/Wear by region)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mopdobckey Hapodhbiy Koctyum (Russian Folk/Antique Costume/Wear by region):

A detailed and beautiful collection of photographs, both black and white of folk/antique by region, apparel/costumes in Russia. Book is completely in Russian, but still an encyclopedia of costumes, neckwear, hats, etc. Great gift for the costume designer, especially in opera.
