## More Terrific Tablecloths (Schiffer Book for Collectors and Designers)

**Loretta Smith Fehling : More Terrific Tablecloths (Schiffer Book for Collectors and Designers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Terrific Tablecloths (Schiffer Book for Collectors and Designers):

0 of 0 people found the following review helpful. Great book.By P. JacksonGreta book.1 of 2 people found the following review helpful. Terrific!By Sue Holtgreat book. I am enjoying looking at it and reading about each tablecloth. Very informative. I will order her other book.1 of 1 people found the following review helpful. More Terrific table ClothsBy Grace BrownI am truly enjoying this book.... and was delighted to discover that I too have a tablecloth like one that was shown in this book.What I especially like about this book is that by tabbing specific tablecloths in this book that caught my attention, allowed me to be able to see the very style colors that I tend to gravitate to and now will use this book as a helpful resource in my collecting of more wonderful vintage tablecloths.

This book captures a rich part of our textile history. With over 300 delightful photographs, it presents an array of vintage and antique tablecloths from the '40s and '50s. The brightly colored fruit and flower designs, Mexican motifs, ivy and foliage prints, and Pennsylvania Dutch-influenced patterns are sure to whisk you back to Mom's or Grandma's kitchen. Also included is a section on specialty cloths, and pricing and captions appear for each item shown. How could anyone resist this terrific resource for collectors, antique dealers, designers, and all who love and appreciate vintage fabrics and textiles?

About the Author Loretta Smith Fehling began collecting vintage textiles in the 1970s. She enjoys traveling both in the states and abroad and is always on the lookout for great fabric.
