## **Morgan County (IN) (Postcard History Series)**

**Joanne Raetz Stuttgen, Curtis Tomak : Morgan County (IN) (Postcard History Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Morgan County (IN) (Postcard History Series):

Based solely on vintage postcards, this important new book is a unique addition to the small number of works devoted to the history of Morgan County. Captured here in more than 220 commercially produced and personal real-photo

postcards is a chronicle of the past 100 years in Martinsville (the county seat), Mooresville, Morgantown, Waverly, and other communities that have been imprinted on the local landscape. This visual record showcases the people, neighborhoods, schools, businesses, recreation sites, and events that shaped Morgan County--including the famous mineral water sanitariums, landmark buildings and bridges, favorite fishing holes and resorts, and disasters such as the 1913 flood of the White River.

About the Author Joanne Raetz Stuttgen is a folklorist and cultural resources specialist active in local history research and historic preservation. Curtis Tomak, an archaeologist with the State of Indiana, is an avid collector of vintage postcards and local memorabilia.
