**William E. Rogers Jr. : Mountain View Trolley Line, PA (PHS) (Postcard History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain View Trolley Line, PA (PHS) (Postcard History):

The Mountain View Trolley was established on July 10, 1907, after booming tourism increased the need for transportation between Stroudsburg and the town of Delaware Water Gap. In the late 1800s, visitors began flocking to the region to enjoy the beautiful scenery and pristine wildlife. Built by the J. R. Brill Company in Philadelphia, the

Mountain View Trolley ran on a narrow-gauge track and was capable of hauling a large number of passengers. The trolley cars operated on overhead wires and battery power and ran year-round, shuttling residents and visitors and working as a school bus for local schoolchildren. The introduction of motor coaches and automobiles brought about the end of the trolley age, and the Mountain View Trolley ended its run in September 1928.
