My Dogs and Guns: Two Memoirs, One Beloved Writer

John Graves : My Dogs and Guns: Two Memoirs, One Beloved Writer before purchasing it in order to gage whether or not it would be worth my time, and all praised My Dogs and Guns: Two Memoirs, One Beloved Writer:

Over the decades Ive developed the impression that John Graves is the most honest writer in America, and also one of the best. Here is further evidence. Jim Harrison, author of Legends of the FallMy Dogs and Guns pairs two memoirstwo halves of an outdoorsmans heart. First is Blue and Some Other Dogs, the story about Gravess favorite Basque-Australian sheep dog, Blue. Second is Guns of a Lifetime which is a nostalgic chronicle of the guns Graves

has owned, beginning with a rusted and cylinderless revolver. So here are the stories, Graves writes. They are not all nice tales in contemporary terms. Political correctness, as presently defined, may be perpetrated here and there, though I hope no parts will seem like the maunderings of a Deep South redneck. But if they do, the hell with it. I am too old to fret about such matters. It is delightful, hardy prose from a treasure of a writer.
