## My Ray Bradbury Collection

**Mary Williams : My Ray Bradbury Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Ray Bradbury Collection:

4 of 4 people found the following review helpful. wondrous cornucopia of all good things BradburyBy James A. BrownThis is a stimulating, wondrous cornucopia of all good things Bradbury. A highly personal collection that lets the reader drift and dive into and absorb the wide range of Ray Bradburys infectious genius. Mary Williams shares her private compilation of photos of Bradbury, his informal notes, reproduced articles and essays and poems, with more than a dash of editorial and critics outpouring of praise over past decades. This handsome full-size coffee-table display offers a stunningly gorgeous and engaging intimate look into the man and his work and his optimistic vision, by reproducing excerpts and complete articles, promotional ads, lecture and theater notes, and glimpses of personal letters and postcards and private notes. This is a refreshing walk with the author through her decades of contact with the man whose visionary perceptions crafted in his distinctive literary style has inspired and rooted for mans search for meaning in the vast outreaches of inter-stellar cosmic space and within each ones own deeper self.--James Brown4 of

4 people found the following review helpful. The Illustrated Man By robert j. baker Mary Williams' beautifully illustrated book is a must have for all Ray Bradbury fans. Her perceptive and warm introduction tells us a lot about Ray, his work and why she collected almost all his works. The large format gives readers colorful, highly detailed pictures of Ray's books. Long excerpts of his work are a bonus in Mary's book. If you like scifi, you will want this book about one of the genre's great master.

2 of 2 people found the following review helpful. Stunning book honoring the genius of Ray Bradbury By Judith Orloff, MD Mary William's beautiful book is a breathtaking collection that honors the genius of Ray Bradbury. She has compiled it with such care and love. I was swept away by the gorgeous illustrations and stunning poetry. I had no idea Bradbury was a poet! I highly recommend this book to anyone who is interested in Ray Bradbury. Love and respect for this creative man are emanating from every page. Thank you Mary for this compilation and your informative, articulate introduction.

A private collection of Ray Bradbury books, scripts, articles, poems, and ephemera.

About the Author Mary Williams writes fiction and poetry. She lives in Santa Monica, CA.
