# NATIONAL PARK QUARTERS for Kids

[Ebook free] National Park Quarters for Kids: 2010-2021 Collector's National Park Quarter Folder  
(Warman's Kids Coin Folders)

## National Park Quarters for Kids: 2010-2021 Collector's National Park Quarter Folder (Warman's Kids Coin Folders)

Warman's : National Park Quarters for Kids: 2010-2021 Collector's National Park Quarter Folder (Warman's Kids Coin Folders) before purchasing it in order to gage whether or not it would be worth my time, and all praised National Park Quarters for Kids: 2010-2021 Collector's National Park Quarter Folder (Warman's Kids Coin Folders):

2 of 2 people found the following review helpful. Cute but design flawsBy R. NicholsSuper cute folder for kids! I love how it has extra tidbits of info about the states and parks. My two issues - the holes for the quarters are just a little too small (great that they're secure once the quarters are in the holes, but with all of my strength, I could not get most of the quarters to go in), and the attached page of info is made from paper, so it will easily get damaged by the cardboard folding book. The design of the book is great, but it's pretty impossible for kids to put the quarters in themselves.6 of 6

people found the following review helpful. It won't actually keep your quarters in placeBy J. HernandezThe illustrations are nice on this little kids collector book but it will not keep the quarters in place at all. They are constantly falling out and you have to be careful not to lose your quarters. So if you want this to keep your quarters safe for your kids you may want to look elsewhere or if you don't care then this will work for you.3 of 3 people found the following review helpful. Coins go in holesBy Pen NameMy son decided that he needed to collect every piece of money he touches now so here we are. It's a book that holds coins so it's kind of hard to screw this up. Shipped fast and seems sturdy so far. Would buy again.

Did you know coin collecting is like putting together a puzzle? Or that collecting coins involves lessons in geography, history, spelling, economics, government, and appreciation for art and design? It's no wonder so many people are collectors, and a wonder so many haven't yet discovered how exciting a hobby it is - but that's about to change!Warman's National Park Quarters for Kids folder, part of the new Warman's Coin Folders for Kids series, helps you share your love of coin collecting with the next generation in a fun, educational and interactive way that will encourage them to collect for a lifetime.This folder features: Snug-fitting slots for each National Park Quarter with the name of each quarter and the shape of the state its locatedColorful map of the United States, a photograph from each National Park and its state flagIntriguing and informative trivia questions about the quarters and parks A lifetime of love for coin collecting starts with National Park Quarters for Kids coin folder.
