Navajo Arts and Crafts

Nancy N Schiffer : Navajo Arts and Crafts before purchasing it in order to gage whether or not it would be worth my time, and all praised Navajo Arts and Crafts:

The diverse and lively crafts of today's Navajo people in the Southwest are investigated through this new all color pictorial presentation. The traditional arts are joined by several newly evolving crafts which all reflect the heritage of Navajo culture. The book presents several hundred all color photographs and explanations of the crafts in sections devoted to weaving, pottery, basketry, jewelry, dolls, sandpainting, wood carving, stone sculpture and fetishes.

Overall, this is a celebration of the artistic talents of Navajo craftsmen.
