Neo Shunga: An Introduction to Japanese Pop Erotica

From Brand: Cocoro Books : Neo Shunga: An Introduction to Japanese Pop Erotica before purchasing it in order to gauge whether or not it would be worth my time, and all praised Neo Shunga: An Introduction to Japanese Pop Erotica:

0 of 0 people found the following review helpful. not what I expectedBy Sergey Lazarev FanNot impressed. But it is listed as an "introduction" to Japanese pop erotica culture. Have seen some very interesting samples online, which encouraged me to purchase this book, but was not impressed by this contents. But I would not delve further into that culture based solely on this book. Guess I could not appreciate it because I am new to that genre. There are better books available. Sorry folks.7 of 7 people found the following review helpful. nothing neo....By Alex FerdmanIf you never seen shunga and want to go cheap this book is ok.Print color quality is low and all images are well known reproductions. I hoped to see modern artists but was mistaken.I buy my shunga books in Japan because color quality is much higher and, somehow, their adult manga which they sell at K-books in Akihabara, Tokyo connected to shunga strongly.0 of 0 people found the following review helpful. Five StarsBy vicspikeGreat book, very informative

Japan's shunga woodblock prints were originally created to advertise the facilities of the Edo-era pleasure quarters, including tea houses, restaurants and theaters, as well as the brothels. But this new art form quickly took on a life of its own, portraying every imaginable form of sexual activity from straight heterosexual acts through sodomy, bestiality and a wide range of fetishes. Today, these images of sex, many of which are grossly caricatured with outrageously proportioned genitalia, are highly sought after by collectors of art and erotica the world over. Neo Shunga, introduced here as part of the current Japanese trend of restyling traditional fashions for the 21st century, brings together in one volume some of the most fascinating images to come out of the shunga movement. These include acts of voyeurism, masturbation, menage a trios, group sex, and even bestiality with an octopus. Contains graphic sexual imagery
