Have not found it useful...By Jessica KimbrellI wanted to try to identify some of my teacups/pots, but have been unable to find many of the marking in this book. I'm

not sure this is the fault of the book though, there is in fact a LOT of information in here, just not what I needed.0 of 0 people found the following review helpful. Four StarsBy Just a CookOlder book, but I found the marks I was looking for, so it worked for me.
