about outer space
By BikerTim
Always very enjoyable. Liked all the topics about outer space. I guess one would expect that in New Mexico.

Whether you're a born-and-raised New Mexican, a recent transplant, or just passing through, New Mexico Curiosities will have you laughing out loud as it introduces you to the most fascinating characters in the Spanish State, and takes you places you never could have imagined some of them right around the corner!

From the Back Cover
Your round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Land of Enchantment has to offer!
