This book is a greatguide for me. I'm still extremely new at this but I use the guide when I make my purchases. I have never paid morethen 50% of this book's list price for any item, in fact my guide is 15% - which works well for me. When collecting,remember: no nicks, chips, cracks or repairs...rra1 of 1 people found the following review helpful. Must Have For Hummel PeopleBy LoisAThis booked helped me soooooo much in the purchasing of over 150 Hummels. I knew what to look for to judge their value. It was reallly fun referring to the description and background of each figure. I also enjoyed the bios of the sculptors. Recommend to any collector of Hummels.0 of 0 people found the following review helpful. Four StarsBy Pat WilhiteCopyright 2003. Who doesn't own a Hummel???? Landmark resource.

Now, for the first time in full color, the latest edition of the most widely respected price guide to M.I.Hummel collectibles includes thousands of listings and a larger number of photos than ever before. Compiled by internationally known expert Robert L. Miller, the 10th edition of this classic provides the most up-to-date secondary market prices.

Universally recognized as the most complete compilation of M.I. Hummel values, this book provides a numerical listing of all M.I.Hummel designs issued by W. Goebel, a history and explanation of back stamps and other marks, a profile of Sister Maria Innocentia Hummel and biographies of the sculptors who bring her illustrations to three-dimensional life. Sharply detailed, full-color photos of every piece make this newest edition the most valuable guide ever.
