A very worthwhile collection of detailed line drawingsBy danny boyThese series of colour plates by Joineau are worthwhile for the clarity of the details on the various Napoleonic uniforms. They would be very useful to figure modellers.

This 3rd volume in the "Officers and Soldiers" series, shows in extraordinary detail the uniforms of the foot soldiers of

Napoleon's Imperial Guard. This is a dream book for the modeler and historian alike and is packed full of full color images, using Histoire Collection's extremely talented team of graphic artists.

About the Author Since the seventies, Andre Jouineau has dedicated himself to studies in history and uniforms. Regular contributor to various magazines, he was appointed official painter of the Army in 1985 (title kept until 1994). Then, in the mid-nineties, he tackled computer illustration, which allowed "creating" a new uniformology genus.
