Official Price Guide to Elvis Presley Records and Memorabilia: 2nd Edition

Jerry Osborne : Official Price Guide to Elvis Presley Records and Memorabilia: 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Official Price Guide to Elvis Presley Records and Memorabilia: 2nd Edition:

0 of 0 people found the following review helpful. Four StarsBy Alan M. GoodwinJust what I wanted and for a great price1 of 1 people found the following review helpful. Elvis Presley Records MemorabiliaBy whateverThe book is everything I need to be an Elvis fan and to be able to find anything I need to reference. I am totally pleased.3 of 4

people found the following review helpful. Outstanding!
By B. Taylor
This book is filled with great information about Elvis' music and other memorabilia. I bought mine at Graceland in 1999 and after seeing the current prices, I'm glad I did. It is a treasure trove of trivia and details about the great variety of music that was published when Elvis was alive and in the years following his death.

THE ULTIMATE PRICE GUIDE ON THE KING OF ROCK-AND-ROLL Elvis Presley changed popular music forever and became a legend who still attracts legions of new fans every year. The astounding array of Elvis memorabilia held in private collections and sold at auction is unparalleled in the history of music. This incomparable sourcebook offers a total guide to everything related to the uncontested, hip-swivelin' King of Rock-and-Roll. [] **COMPREHENSIVE.** The Official Price Guide to Elvis Presley Records and Memorabilia has it all, including CD and record listings (singles, EPs, LPs, various artist compilations), bubble gum cards, lunch boxes, key chains, movie posters, perfume, and much more! [] **WRITTEN BY THE EXPERT.** Jerry Osborne is the author of The Official Price Guide to Records and The Official Price Guide to Compact Discs. His newspaper column, "Mr. Music," is syndicated nationally. [] **SPECIAL FEATURES.** Includes invaluable information on pricing and grading records and memorabilia, and what to expect when selling your records to a dealer. [] **BUYERS-SELLERS DIRECTORY.** If a collector wishes to find an out-of-print record or sell a particular classic, these addresses and phone numbers list the important people to contact. [] **FULLY ILLUSTRATED.**

From the Publisher
In my teens, I saw Elvis perform live three times -- once in Las Vegas, once at Madison Square Garden, and once at the Nassau Coliseum on Long Island. Big Elvis fan, you say; well, I wasn't really until I started going to the concerts with my older brother, who was a huge fan. The Las Vegas show was the most awesome -- staying awake for the midnight show wasn't easy when I was 14 or 15, but my brother kept nudging me whenever I started drifting off. People seemed to have traveled from all around the United States to be there; I think a woman who sat near me was from Kentucky. Ages ranged from me right up to people in their sixties and seventies, which shows that Elvis had the power to wow us all. We and my parents had flown into town that afternoon, and we were heading back to New York the next day; there aren't many performers, now or then, who would get us to make an overnight trip of almost 3000 miles. How much more convenient it was when Elvis started appearing in NY!
This is the book for all those Elvis fans who have been collecting for 40 years, and those who are new to the world of Elvis memorabilia. Whether it's a rare promotional record or an Elvis keychain, you'll find it in this book. I don't know many people who would sell items from their Elvis horde, but it's great to know what things are worth, and what else is out there to try to pick up. To real Elvis fans, he's never really "left the building!"
